Finally, we have been successful in reversing completely Admiral Turner's dreadful decision to pull out of the Armed Forces Staff College.

Director of Training and Education  
Central Intelligence Agency

Dear [Redacted]

Your letter of October 30, 1984 requesting additional CIA quotas for the Joint and Combined Staff Officers Course at the Armed Forces Staff College has been reviewed by the staff. I agree that the Agency's increased participation in the AFSC program would be highly beneficial to both the CIA and the National Defense University.

Accordingly, I am directing the AFSC to allocate to the CIA three quotas per class, commencing with AFSC Class 78 which convenes in August 1985. Arrangements and any additional information which may be required can be coordinated between your staff and the AFSC personnel office (804) 444-5252/5120.

Your interest in the AFSC is appreciated, and I am pleased to have the opportunity to enhance the ties between the CIA and the NDU.

Sincerely,

  
Richard D. Lawrence  
Lieutenant General, U.S. Army  
President
